GST

If you are a Registered Business and the Australian Tax Office regulations permit us to settle any claims you may make, or which are made against you:

- exclusive of GST, or
 - where MECON can recover GST amounts included in such a settlement,
- then all amounts insured and all Deductibles specified in the Policy will exclude GST. In all other cases, the amounts must be GST inclusive.

YOUR DUTY OF DISCLOSURE

Before you enter into an insurance contract, you have a duty to tell us anything that you know, or could reasonably be expected to know, may affect our decision to insure you and on what terms.

You have this duty until we agree to insure you. You have the same duty before you renew, extend, vary or reinstate an insurance contract.

You do not need to tell us anything that:

- reduces the risk we insure you for; or
- is common knowledge; or
- we know or should know as an insurer; or
- we waive your duty to tell us about.

If you do not tell us something

If you do not tell us anything you are required to, we may cancel your contract or reduce the amount we will pay you if you make a claim, or both.

If your failure to tell us is fraudulent, we may refuse to pay a claim and treat the contract as if it never existed.

POLICY

In order to understand the insurance you are proposing, you must read the Policy. Words beginning with a capital letter in this proposal form are defined in the Policy. Anything you state in this proposal form may be included in the Policy. If you propose something which MECON do not want to insure it will be excluded from the quotation we provide.
