GST

If you are a Registered Business and the Australian Tax Office regulations permit us to settle any claims you may make, or which are made against you:

- exclusive of GST, or
 - where MECON can recover GST amounts included in such a settlement,
- then all amounts insured and all Deductibles specified in the Policy will exclude GST. In all other cases, the amounts must be GST inclusive.

YOUR DUTY OF DISCLOSURE

Before you enter into an insurance contract, you have a duty to tell us anything that you know, or could reasonably be expected to know, may affect our decision to insure you and on what terms.

You have this duty until we agree to insure you.

You have the same duty before you renew, extend, vary or reinstate an insurance contract.

You do not need to tell us anything that:

- reduces the risk we insure you for; or
- is common knowledge; or
- we know or should know as an insurer; or
- we waive your duty to tell us about.

If you do not tell us something

If you do not tell us anything you are required to, we may cancel your contract or reduce the amount we will pay you if you make a claim, or both.

If your failure to tell us is fraudulent, we may refuse to pay a claim and treat the contract as if it never existed.

DUTY TO TAKE REASONABLE CARE NOT TO MAKE A MISREPRESENTATION

If you enter into a contract for this insurance product, and such insurance is for a home Project where you are an individual who has been issued an owner builder licence for the purpose of such Project, you have a duty to take reasonable care not to make a misrepresentation in accordance with the following:

You have a duty to take reasonable care not to make a misrepresentation to us before the contract of insurance is first entered into. You have the same duty when you renew, extend, vary or reinstate the contract.

This means that you must take reasonable care to answer accurately and completely all of the questions we ask you. If you are unsure about the requirements of any of our questions, please tell us. If you need to check your records or other information before answering, please make sure you do so. In answering our questions, you should also make sure you provide accurate and complete answers for anyone else to whom the questions apply.

Your compliance with this duty is very important as we make our decisions whether to insure you and, if so, on what terms based on the information you provide.

If you fail to take reasonable care and make a misrepresentation to us, we may be entitled to:

- cancel your contract;
- deny a claim or reduce the amount we will pay you if you claim, or

if the misrepresentation was made fraudulently, treat the policy as if it never existed.

Anything you state in this proposal form may be included in the Policy. If you propose something which MECON do not want to insure it will be excluded from the quotation we provide.
